

Sat 9 25 A M.

Have just had breakfast
The birds are singing and
seem to think summer is
here but it was down 4 deg-
below freezing and the ground
was all white with frost-
when we got up but it-
is nice and warm bright
and sunshiny now.

Papa and I went to a red
cross social at the school
house last night. There was
quite a lot of snow there as
there was six people there.
whose name is Snow so
you see we have Snow here

in Montana the year round
We just-came from Billings
Wed P.M. As our bedding didn't
get here was put off at another
station by mistake we had
to get a bed and breakfast
in ~~the~~ there came out
here in the ~~the~~ We can
see the snow capped mts.
all right now can just see
the tops of the Rockies but can
see some of another range
near by. Scenery sure is
beautiful here. Will have is
every body. would like to see
you all so soon

Write sometimes -
