Dear Jesse

Your letter with P.O.
order came all right. and I
sure was glad to hear from you
again. I haven't been feeling
at all well for three weeks and
am in a very weak condition
but hope to get my strength back
before very long. This is a
dark gloomy day but the sun
shines out a little once in a
while so guess it will clear off a
little later. We have had so much
rainy weather it sure seems good
to have a bright day once in a
while. Things are beginning to grow

2
here now and we have a little fresh
garden stuff once in a while.

Dillon, Mary, and Anna are
in Amboy Ill. all were well
the last I heard. Anna is very
busy along his line of work of
painting and retouching
and Mary is busy as ever
with her ~~and~~ Crochet-book.

Anna's brother Will has been
very sick but was better the
last I heard. Will Culburn is
in an insane Asylum in
Florida. His wife died a short
time ago in Jacksonville Fla.

Fannie's boy is still going to
Kindergarten and is learning
quite a lot for a four year old
boy - can count to 20. Knows all

The letters and can spell several three letter words. Fern is just learning to talk. is a sweet little piece.

Well guess I cant write much this time as I feel so weak I cant sit up long enough to write very much. and dont know as you can read what I have written. and now jesse I must have at least a hundred dollars real soon to pay my extra expense I will have some Dr bill to pay and Howard is not in shape to help me any - and I still owe him a little over \$300.00 for my last years

expense - So please send it to
me as soon as possible. I
hate to trouble you as I know
you have your troubles too but
these are honest debts and I
want to get them paid soon

Hope to hear from you
soon - Lots of love and all
good wishes to Jesse, Lela
and Frank - from
Mamma -
