Dear Uncle Jesse,

I am Laddonna Crosby, daughter of Francis Crosby and granddaughter of George Crosby. I am 14 years old and a freshman in high school. I take home economics, chorus, algebra, band (I play a clarinet), English, Spanish and physical education. I enjoy school very much. I have a younger sister that is 10 years and is in the fifth grade. Her name is Sherri. I am enclosing pictures of both my sister and me.

We collect stamps and would like to have you send us some Cuban stamps. We don't have many of them.

My dad is a farmer and we have two farms about $4\frac{1}{2}$ miles apart. The one we live on has 40 acres and the other one is 80 acres. We have 12 cows, 15 cats, one horse, one dog, two ducks, and some chickens. I got the ducks at the county fair.
I had better close now.

your niece
