Dear Bro. Jesse:

Just a hasty little A.M. note to let you know that I am still in C. and no fixed date as yet for leaving. Several things have been dragging along all this time to detain me here. But there has been some quite definite movements toward a culmination of these affairs during the last few weeks, so I am feeling some relief from that pressure now.

This is the 22nd anniversary of Teresa's passing to the Eternal rest, and I cannot tell you how much I long to see her again.

And did I ever tell you that Allen was married 21 years ago today? He has a very nice young wife, and they are both working in Waukegan and seem to be getting an very ~~life~~ ^{life} well.

We have had a very nice autumn, lots of rain in Sept. but no snow as yet, tho some is promised for tomorrow.

Am writing especially to ask

2

about our proposed Xmas get-together. Are you making any definite plans in that direction?

I am thinking a lot about it but thus far it has not gotten beyond the "thinking" stage. Let me know how far you have gotten about it. Have been thinking that the family letter should be along about now, and perhaps it will contain some word, but thus far it has not arrived, so am writing you direct.

Please tell me about present status of missionary effort in Cuba. Are there any fruitful developments that you know of, and what about them. Does the new wife take readily to spiritual things, and do I understand that she does not have a workable knowledge of English?

I have some missionary plans in mind that seems to me that you and she could work into very nicely, if you were both so inclined.

Will close here, hoping to hear from you within a few days. Christmas is only four weeks from next Sunday. Love and Prayers
Clarence W. Crosby.
