Dear Jesse
your letter of the 19th
received and glad to know
you arrived safely and found
everything alright at home.

We are all well, and trust
you folks were not too tired
from your long trip.

We will accept the \$700⁰⁰
lease U.S. lay for the place but
try to get Gourales to pay costs
for transfer of deeds. If he will.

not pay these costs close the
deal anyway and send the
money ~~to me~~ in my name.

We are having power of attorney
made out for you to sign the
deeds.

Will send copy of deeds etc
to you as soon as possible.

Everybody joins me in
sending best wishes and
kindest regards to all.
