Dear Nephew - Your most welcome letter of June 26th came to hand in due time. We were very glad to hear from you, and know that you will now miss your mothers letters, we will miss them too and have also missed your Fathers letters, occasionally I read some of his old letters, as we still have a good supply of them on hand.

I enjoy getting out some of the old letters and reading them occasionally.

I have one from my Grandfather
Elkanah Crosby to my father that is
nearly 60 years old, he has been dead
53 years, I also have some from
my Grandfather Andrews to my
mother. I treasure them all verry
highly, although I never saw Grand-
father Crosby and Grandfather Andrews
but a few times when I was small, yet
I seem to gain an acquaintance with
them through these letters, and when
I read some of your Fathers letters
it seems most as though I had
visit with him.

I think every thing is in good
shape at the cemetery except a head
stone for your mother. Have just rec'd
P. O. Order from Howard to pay for digging
grave which was the last of the bills here
I have been wanting to get over to cemetery
but the weather has been so rainy and
roads bad so much of time
Must close. write soon A. N. Crosby
